Breast-Clinica de la Mama is a breast specialized medical centre. The centre is located in the main town of Buenos Aires province. We are a multidisciplinary team providing care only for breast diseases, both benign and malignant. Our services include breast diagnostic radiology, minimally invasive biopsies, lymphatic mapping, radiotherapy, genetic counselling, psycho-oncology, immediate and delayed breast reconstruction, oncoplastic procedures, clinical oncology and pathology. We perform an average of more than 500 surgeries per year, and all our surgeries are performed at the Italian Hospital.
